2018 IN REVIEW

SNTC's 10th Year Anniversary Celebrations

2018 marks the 10th year anniversary of SNTC. On 24 Nov 2018, SNTC celebrated this milestone with our clients, directors and staff, as well as other community partners at the Enabling Village. The celebration was lively and eventful, with a total of 50 caregivers and their special needs loved ones in attendance. We were also honoured to be joined by **Mr Desmond Lee, Minister for Social and Family Development**.

Guided Tours at Singapore Garden Festival 2018

On 28 July 2018, SNTC had the opportunity to invite our caregivers and their special needs dependants to the guided tours at Singapore Garden Festival 2018. For many of them, it was a unique and enjoyable experience to simply relax and be immersed in the vast arrays of floral displays. We look forward to sharing more memories with our clients. A big thank you to NParks for sponsoring the tour.
